# ***Motivating Disinterested Students***

***How to Reach Them So Everyone Wins!***

## **A Must-Attend Workshop for Teachers of Grades K-12**

- Do you face student apathy in spite of your best efforts in the classroom?
- Do some students work hard one day, then seem to lose interest the next?
- Would you like to build a “tool box” of proven, successful approaches that can motivate your most disinterested students?
- Do you want to see discipline issues dramatically decrease as motivation soars?
- Do you think that deep down inside, every student really wants to learn?
- Would increasing the interest of one unengaged student benefit your whole class?

**If the answer is yes to any of these questions, this workshop is for you!**

- What we'll do  
Build a realistic plan, based on the best research and practices, that will dramatically increase your students' interest and motivation in YOUR classroom.
- What you'll learn  
Proven, powerful techniques that lead to effective, lasting solutions --You CAN Lead your most difficult students to success in the classroom.
- What we'll feel  
Confident, prepared, and --yes--excited about what will happen in YOUR classroom every day.
