Motivating "THAT" Student

How to Reach Them So Everyone Wins!

A Must-Attend Workshop for Teachers of Grades K-12

- Do you face student apathy in spite of your best efforts in the classroom?
- Do some students work hard one day, then seem to lose interest the next?
- Would you like to build a "tool box" of proven, successful approaches that can motivate your most disinterested students?
- Do you want to see discipline issues dramatically decrease as motivation soars?
- Do you think that deep down inside, every student really wants to learn?
- Would increasing the interest of one unengaged student benefit your whole class?

If the answer is yes to any of these questions, this workshop is for you!
